

Announcing: Dasher Board Advertising Opportunities

MCYHA operates three youth houses sessions (fall, winter and spring) at the Interstate Center Inline Hockey Rink. In summer we run the Phantoms Travel program that produced two TORHS National Champions in 2006!

Additionally, the IC rink hosts adult leagues and private rentals and is the home to three college club teams: Bradley Braves Inline, the University of Illinois Roller Hockey, and the Illinois State University Redbirds.

In April 2007 we will host our second TORHS Tournament. Last spring 44 teams from 5 states participated in the three day event. In May 2007 we will host the USA Hockey Inline National Junior Festival Midwest Tryouts.
