

April CDP: Refereeing Handouts

Here is the first place for coaches, players, referees, and even fans to start if they're curious about the rules of the game. This is the Standard of Play video produced by USA Hockey when the new standards were implemented.

<http://video.google.com/videoplay?docid=-1089188742600435137&q=usa+hockey>

Here is the link to the Rule/Casebook each of the officials use. It is certainly not something that is easily printed, but it can be used for reference should the need arise.
