

MCYHA Annual Meeting 5/13/10

I Welcome

Chris Minter introduced current board members

All board positions are open for re-election - election will be held at the end of the meeting

II High School coaches for next year - Richard Beck and Chris Minter

III High School vs. Midget comparison - Kirk Adler discussed some differences. Midget plays at a little higher level. Midgets play in NIHL. Cost for high school is less - approx \$500 vs. \$800-\$1200 for Midgets. Play approximately same number of games. Fundraising can significantly affect total cost. High school league has traditionally done fundraising that significantly reduces cost.

High school games are generally Sunday nights with approximately 2 tournaments planned for Varsity and maybe a couple day trips to Chicago. Midgets ½ games will be in Chicago area with over night stays possible for these games.
