Want sponsorship names on website also

III Preparation for 2010-11 season

Summer Conditioning – dates as previously planned

Tryouts - 2nd tryout was moved off of Labor Day week-end – not sure of date

Game scheduling – believe Jim Hodge volunteered to do scheduling – see if he approached Kirk

Chris Bennett volunteered to be an assistant coach.

Would like our website updated – will wait and see if there is a “tech” parent who might volunteer to update or we may consider hiring a high school or college student good with computers.

IV CIPHL

Next meeting in July

Springfield league still wants pure high school teams. They will not come here to play if our team is not pure. Will see if we could have practice games with them.

V Miscellaneous

Some dryland and other training equipment has been ordered

Advisory Committee – waiting to see what teams result from this year's tryouts

VI Future Board Meetings
